

Part-time researcher opportunity

The Dictionary of New Zealand Biography is seeking a researcher to carry out reference-checking and other research work in support of its 2021/22 publication programme.

The 12-month contract is for 12 hours per week at \$25 per hour; we currently have a backlog, so some of the work could be undertaken in a block if you have time available in May or June.

The researcher will need to be Wellington-based.

Please send a CV, along with any questions, to Tim Shoebridge at tim.shoebridge@mch.govt.nz before 30 April 2021. The contract can commence as soon as agreement is reached.
